REQUEST FOR THREE MONTH EXTENSION

OFFICIAL

Dear Sir:

This confirms the conversation with Mr. Douglas W. Olms, Supervisory Patent Examiner Group 2700 on December 20, 2000. In this conversation Mr. Olms indicated that upon filing the present three month extension the Supplemental Amendment faxed on December 12, 2000 to (703) 305-5433 would be entered and this case would be in allowable form and proceed to issuance. Further, Mr. Olms stated that Fax Number (703) 308-6743 should be used to transmit this three month extension instead of Fax Number (703) 305-5433 that was used to fax the attached three month extension.

With reference to the Official Action dated June 21, 2000, applicants respectfully request a three-month extension of the response term, from the present term of September 21, 2000, up to a new term of December 21, 2000.

The Commissioner is authorized to charge our Deposit Account No. 12-0400 in the amount of \$445.00 to cover the fee for this three month extension, based on the small entity status of the applicant. Attached is a copy of the request for a three month extension faxed on December 19, 2000 to (703) 305-5433 for accounting.

purposes and any charge on the attached request for three month extension is unauthorized to prevent a double charge for one request for three month extension.

Respectfully submitted,
